Dear Sister Edith:- This is the last postal card that Jennie ever owned. it was left with her things & brought her poor body from the Hospital to our house. I just recd. a letter from Evans wanting to take Jack with them. I have 2 other chances now that I think will be better. but if not I will send him with them. so dont worry now for you will not haft to wait much longer till you see him. I recd. a telegram from Mother saying she would stand all of Jacks expenses. I will write you as soon as I have completed my arrangements. so dont worry
Love from all to all
